LIVESTREAMS throughout the week can be found on our [Facebook page](#).

With the start of a new sermon series, Life Groups are resuming after the summer break. We will continue to use Zoom for the time being but have a plan for alternative arrangements as and when the government lift the new social gathering restrictions. Life groups will recommence from Monday 13th September following the first sermon in our new sermon series on "Acts" We would like to extend a very warm welcome to anyone not currently in a Life Group to come and join us. This would be a really good way of trying out a Life Group and seeing what it is like to be in one and to enjoy some fellowship and life journeying together. All we ask is that you contact either Viv on 07511 297 957 or Janine on 07535 675 948 purely so that we can keep an eye on numbers; not making groups too big or if you have any questions...do hope some of you will come and join us. Please check out the resources section of the website for materials you may find useful as we journey through Acts

It was our intention before the new government guidelines for our Children's Ministry to recommence in the following ways:

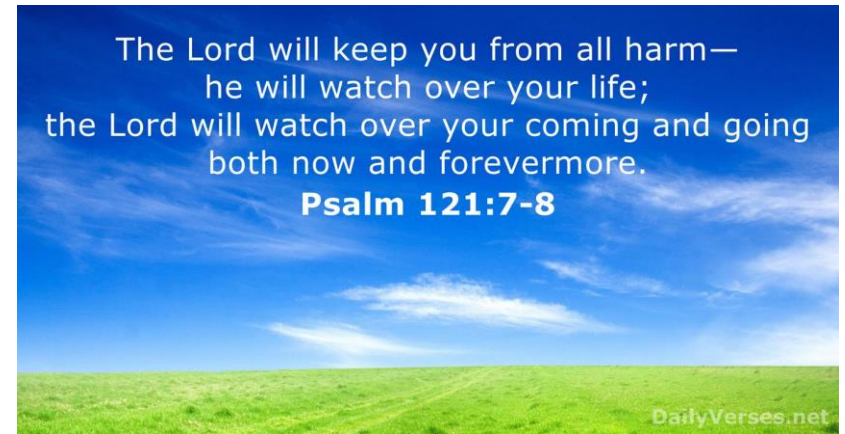

- **Messy Club restarts, Wednesday, 16th September, 5-6 pm. Weather permitting we will meet outside (social distanced).**
- **Church Light get together outside church, 3rd Sunday of every month.** Socially distanced family bubbles, we'll be worshipping and having fun together. First session, Sunday 20th September at 10.30am. Keep an eye on the Facebook page for further updates. Bless you all. The Church Light Team.

Obviously these events are now unable to take place due to the new restrictions so please look out for updates as and when we are guided such activities can take place. We want to be a good witness to our community.
